PRO BONO

What is a pro bono?

A pro bono is referred to professional services which provides in social benefits without reward causing to be a voluntarily advertising campaign.

To whom is directed?

A pro bono is a way to motivate clients/ our direct beneficiaries each would get advice from our experts, especially helping them to carry out detail information about any procedure they ask for.

Why do we do it?

To give the best assistance from the very first start, we give this opportunity to let clients or not to be little more conscious for a global main cause: environmental and our surroundings issues. Our final goal is get to people who participate in a middle rescue of blue whales, instead of sacrificing their lives. Are you willing to give your best in this new adventure with us?

PRO BONOS EVERY YEAR TO OUR BEST CUSTOMER

Every year our Administrator gives a **pro bono** to our most loyal client of the year.

Therefore, the client who generates the most income for us will be given a free act, that is, he/she will not have to pay for a regular consultancy service.

In addition, our pro bono customers will always receive the best treatment and personalized to their requests and always under their conditions.

CONGRATULATIONS!

For being our most loyal customer, we will give you a free trial in one of our services of your choice.

You have a complete consultancy among our most outstanding services such as legal, tax, human resources or accounting.

You can use this voucher throughout this year until 01/01/2024. We sincerely thank you currently for being our most loyal client and giving us the chance to help you grow!
